- \*truck deliveries \*brag board

For details call or email....

**Happy New Year!** .....We have lots of news and some great specials to kick off the new year...

For those who took the opportunity to utilise the open studio days last year—**we will now offer open studio EVERY Saturday** (except when classes are scheduled) this means we will not be charging the \$11.00 per hour studio hire fee which is still applicable on weekdays BUT on Saturdays you have the full use of the studio facilities no charge.. Please note kiln hire fees still apply. Our class program is bigger and better than ever with some special events happening.. Firstly, the Tiffany Lampshade class - commences in April and runs till June ... if you have ever wanted to create your own spectacular shade, book now places are limited and we need confirmation by mid Feb to import the specialty products required. In August we have a glass casting class which promises to be HUGE! Our first class for 2010 coming up in February is the Mosaic Fusion class this class combines both mosaic and fusing to take your mosaic world to new heights! Drop in today, we look forward to catching up with you!
