We have some great classes coming... warm up your winter and welcome the spring!
Glass art is our passion make it yours!!!

Kiln forming - Thursday evenings July 1st and 8th—5.30pm to 8.30pm. Fee \$220.00

* fee includes firing costs. With Marina Villani. We still have some places left ... this class is always heaps of fun— takes you through creating a fused panel then slumping into a sculptural shape or bowl. Using fabulous colours from the Spectrum system 96 glass range.

Precious metal clay— Saturday 24th and 31st July—10.00am to 4.00pm- fee \$220.00

*materials not included— some supplies provided . With Kathryn Wardill learn to enhance glass cabochons and other jewellery components with pure silver— this is an awesome class (as many of us can testify)

Upcoming classes— Beginners Bead making—September 18th and 25th—this one with Kathryn is always popular book early - free clear rod to any bookings (and deposits) made prior to August 18th fees \$220 (includes tool hire) materials approx \$50.00

Kiln formed project class—Venetian masks— October 7th and 14th— fee \$220 this is something new we are planning to try—so more details will come to hand shortly—Marina creates extraordinary masks in glass and will share her expert advise with our students ... confirm your interest asap .

Intermediate bead making— October 23rd and 30th—this is the class that takes all you've learned in the beginners class and expands into more adventurous techniques, again with Kathryn a popular class - fees \$220.00 bring your own equipment .. Or if you prefer we can supply gas and torches (just bring your tools) materials cost will depend on glass rod needed (or again bring from home)

Extra class announced for
